MULTITRADE

OUR CAPABILITY

CONSTRUCTION. INSTALLATION. MAINTENANCE.

Portable and modular buildings are our speciality.

Building placement during installation. Multitrade Group project photography.

Practical building solutions. From the foundations up.

MODULAR INSTALLATION

Site establishment, relocation, RPEQ-engineered footing arrangements, building placement and connections between facilities.

ACCESS & STRUCTURES

Ramps, decks, stairs, landings, awnings and container-mounted shelters tailored to the site.

Based in Gladstone, we bring together building installation, refurbishment, maintenance and site works for mining, construction and commercial projects. We work with you to plan the scope, coordinate the trades and deliver the details.

MAINTENANCE & REFURBISHMENT

Building repairs, cladding and lining renewal, amenities upgrades, fit-outs and container modifications.

CIVIL & SITE WORKS

Concrete paths, slabs and footings, drainage, foundations, fencing and associated site preparation.

Installation in practice.

CASE STUDY

Alpha HPA office installation

A 12 × 9 metre modular office complex installed on custom steel foundations above an existing swale drain. The footing arrangement accommodates the drainage corridor, with ramps providing building access.

CASE STUDY

Peak Downs 3 North installation

Connected portable buildings with covered access, concrete works, stairs and handrails. Later project photographs show the installed covered timber walkway and fitted magnetic wall-board panels.

Building Hire supplied the buildings; Multitrade delivered the installation component. Photos show installed building and access elements.

Planned around your site.

Safe work methods, site inductions and consultation support our own safety systems. We establish the scope and drawings, coordinate specialist trades and arrange project inspections, engineering and certification where required. Talk to us about your prequalification and documentation requirements.

Gladstone base. Central Queensland focus.

Gladstone · Rockhampton · Moranbah · Emerald · Blackwater · Moura

Wider mobilisation across Queensland and the Northern Territory, and south into New South Wales as far as Newcastle.
